

PACIFIC COAST – List of Lights, Buoys and Fog Signals

INDEX

| A   | NO.     |
|---|---------|
| Abrams Island                             | 623     |
| Acland Islands light buoy U60             | 258.2   |
| Active Pass                               | 275     |
| Addenbroke Island                         | 585     |
| Adventure Bay                             | 52      |
| Agnew Bank light and bell buoy D24        | 692     |
| Agnew Passage                             | 460     |
| Aguiar Point                              | 172     |
| Ahlistrom Point                           | 457     |
| Alarm Rock                                | 294     |
| Alaska Ferry North                        | 710     |
| Alaska Ferry South                        | 709     |
| Alberni                                   | 168     |
| Albert Point                              | 40.5    |
| Alert Bay Breakwater                      | 548     |
| Alert Rock light buoy N17                 | 549.3   |
| Alexander Island                          | 630.2   |
| Alexandra Bank light and whistle buoy DAX | 688.5   |
| Alice Arm                                 | 767     |
| Alice Arm Wharf                           | 768.2   |
| Allan Rocks light and whistle buoy N33    | 576.4   |
| Allen Point                               | 658     |
| Alliford Bay                              | 782.1   |
| Alwen Creek                               | 34      |
| American Islands                          | 817.5   |
| Amos Island                               | 82      |
| Amos Passage                              | 654.8   |
| Amphitrite Point                          | 135     |
| Anderson Point                            | 109.8   |
| Annacis Island Pile Wall North            | 366.8   |
| Annacis Island Pile Wall South            | 365     |
| Annieville Channel Pile Wall North        | 366.3   |
| Annieville Channel Pile Wall South        | 366.1   |
| Annieville Channel range                  | 363,364 |
| Annieville Rock Wall 1                    | 366.5   |
| Annieville Rock Wall 3                    | 366.6   |
| Annieville Rock Wall 4                    | 366.7   |
| Ann Point                                 | 40      |
| Arachne Reef                              | 254.3   |
| Archibald Islands                         | 750     |
| Armstrong Point                           | 50.2    |
| Arrowhead light buoy A29                  | 40.7    |
| Arrow Park                                | 34.5    |
| Ashdown Island                            | 632     |
| Assits Island                             | 153     |
| Atrevida Point                            | 110     |
| Atrevida Reef light buoy Q26              | 477.5   |

| B   | NO.    |
